Office Memorandum

Dated: 7th March, 2006

Subject: Constitution of Working Group on "Network and Information Security", as identified under the National e-Governance Programme (NeGP).

Recognizing the critical role that well designed standards play in the rapid growth of e-Governance, the Department of Information Technology (DIT), has constituted an "Apex Body on Standards in DIT", vide its notification No. 14 (3)04-EGD dated 7th September 2005, among other things, to design the broad policy framework for setting as well as development of standards for the e-Governance initiatives in India. **"Network and Information Security"** as identified under the National e-Governance Programme (NeGP) is one among the key priority areas that have been identified for standardisation. National Informatics Centre (NIC) has been entrusted with the task of originating white papers on all desired standards to serve as discussion papers for Working Groups to develop standards.

2. The undersigned is directed to say that with the approval of the Competent Authority, accordingly a Working Group on **"Network and Information Security"** for Application Domains for eGovernance", consisting of following members is constituted:
